**StarClass** in Milano; heading towards a new record?

With over 100 skaters from 10 Countries and more than 30 clubs, Milano is opening the series of events with the best prospects setting the first stone for what promises to be a record season!

Entries are now closed and the full list of competitors is available on [www.shorttrackonline.info](http://www.shorttrackonline.info).

While the organization in Milano is polishing off the last details including arrangements for full meals at the ice rink on the three competition days, announcements and entries are now open on [www.shorttrackonline.info](http://www.shorttrackonline.info) for the next events in Mannheim and Hasselt.

We recommend reading the announcements carefully especially regarding early hotel bookings to take

advantage of the highly competitive fees, negotiated by the organizations of both these competitions, which are available for a limited time only and on a first come first serve basis.

Mannheim's engine is building up speed, ready to welcome the younger Starclass skaters (Junior C and Novices) at the end of October, Final entries to be submitted by October 26<sup>th</sup> on [www.shorttrackonline.info](http://www.shorttrackonline.info).

Mannheim is the second largest city of the Baden-Württemberg Land, a region in the South west of Germany, very close to France and Switzerland. It stands on the main motorway linking the north to the south of Europe and is Germany's second largest rail junction and major inland riverport on the Rhine. The travel options are almost infinite and you may even consider sailing to Mannheim!
