

Agorà Skating Team

is glad to present

LOMBARDY STAR CLASS 2009

Form 2nd to 4th of October
Agorà Ice Stadium,
- Via dei Ciclamini 23, Milan -

From the 2nd to the 4th October, Agorà Ice Stadium will host the first competition of the International Star Class circuit: three days contests of Short Track, the Ice Speed Skating specialty, in which the athletes coming from Western Europe will compete to enter the prestigious Future Champions Trophy in Budapest, scheduled for March 2010.

Only élite categories as Star Class, Junior A and Junior B, both women's and men's, will join this prestigious Short Track competition, and only the eight best athletes per class will race in Budapest along with the best eights chosen by the parallel Danubia Cup circuit, which involves the Eastern Europe athletes.

For the first time Milan will host the Star Class circuit, the most important four stages competitions cycle for International Short Track; an exclusive event, promoted by the International Skating Union and sponsored by Lombardy Sports Department and by the International Ice Sports Federation (FISG).

Lombardy Star Class, the first competition of the same named circuit, will start on Friday, 2nd October, from 3 p.m. and will continue on Saturday, 3rd October, from 10 a.m. and on Sunday, 4th October, from 9 a.m., at Agorà Ice Stadium, Via dei Ciclamini, Milan, free admission.

A significant sporting event open to everyone, that will see on ice the crème de la crème of Short Track athletes, pledged to give the best.

Speed, strategy and adrenaline are the words which mark this exciting Ice Skating discipline, able to involve and thrill everyone, adults and children, sports fans and not.
